PROFILE

A passionate and detail-oriented web developer with 9 months of professional experience and an additional 6 months of internship experience. Proficient in HTML, CSS, JavaScript, React.js, PHP, and Bootstrap, I have a solid foundation in building responsive and user-friendly web applications. My journey in web development has equipped me with a strong understanding of front-end technologies and the ability to transform design concepts into fully functional and aesthetically pleasing websites. I am committed to continuous learning and staying updated with the latest industry trends and best practices.
